

Register User

1. Access Web Pay at <https://login.paylocity.com>. Bookmark Web Pay as a favorite site.
2. From the Login screen, click Register User to create the Username and Password.

The screenshot shows the Paylocity login page. At the top is the Paylocity logo and 'web pay' text. Below are input fields for 'Company id', 'Username', and 'Password'. There is a 'Remember My Credentials' checkbox and a 'Login' button. At the bottom, there are links for 'Forgot Password' and 'Register User'.

3. Enter the Image Text. Click Next.

The screenshot shows the 'Register User' page. It has a heading 'Register User' and a welcome message: 'Welcome to the register new account wizard. Once you see the image below appear, enter the text displayed into the blank form field and press "Next".' Below this is an 'Image Text' input field containing '2A2G3'. A small image shows the text '2a 2g3' with a blue 'Display New Image' link below it. At the bottom are 'Previous' and 'Next' buttons.

4. Enter the Paylocity assigned Company ID. Enter your Last Name and nine digit Social Security number. Confirm SSN and enter your Home Zip Code. Click Next.

The screenshot shows the 'Employee Information' page. It has a heading 'Employee Information' and a sub-heading 'Please provide information to identify the employee account to register. This information must match the employee information in our system exactly.' Below are input fields for 'Company ID' (containing 'clnt04'), 'Last Name' (containing 'castillo'), 'SSN' (masked with dots), 'Confirm SSN' (masked with dots), and 'Home Zip Code' (containing '78702'). At the bottom are 'Previous' and 'Next' buttons.

5. Enter the Username. Usernames are not case sensitive. Usernames must be 3 to 20 characters in length. Users names may not contain special characters other than . and _ . Enter the Password. Passwords are case sensitive. Passwords must be 7 to 20 characters in length.

Passwords must contain three of the following four rules: one or more numbers, one or more uppercase letters, one or more lowercase letters, one or more non-alphanumeric characters. Enter the password a second time in the Confirm Password field. Click Next.

The screenshot shows the 'Username' and 'Password' registration steps. The 'Username' section has a heading 'Username' and a sub-heading 'Must be between 3 and 20 characters.' Below is an input field containing 'mcastillo'. The 'Password' section has a heading 'Password' and a sub-heading 'Must meet 3 of the 4 rules to be valid.' Below are two input fields for 'Password' and 'Confirm Password', both masked with dots. At the bottom are 'Previous' and 'Next' buttons.
